White Paper

LEGAL DISCLAIMER

It is required that you read this legal disclaimer section carefully. If you have any doubts, get advice from legal, financial, taxation, or other competent law practitioners. All of the information provided here is not intended to be complete, and it should never be construed as a part of different contractual arrangements.

It is our firm conviction that the information provided in this white paper is accurate and up to date and that all products, services, technical architecture, token distribution, and company timelines are accurate and up to date. Furthermore, all of these materials may have changed without notice, and they can never be considered a signatory agreement of advice.

Liquidity Lock:

This white paper does not obligate anybody to sign a contract or make a legally enforceable commitment to contribute. This white paper also does not constitute any form or part of any opinion that can be construed as advice, or that can be used to sell or solicit any offer by Trillions to purchase our token, nor shall it be construed as a part of any effect that can be used in the formation of a contract or an investment decision.

Compliance with tax obligations:

Users of the Website are entirely responsible for determining what, if any, taxes, if any, apply to their transactions. The Website's owners or authors are not responsible for determining which taxes apply to transactions.

Limitation of liability:

RULE shall not be held liable for any loss or harm resulting from the use of this website's material, including written material, links to third-party sites, data, quotations, charts, and buy/sell signals. Please be fully informed about the dangers and expenses of trading assets on the financial markets (digital or otherwise). ICOs, in particular, is one of the riskiest investment options. There's a chance you'll lose your whole investment.

Investment risks:

Trading cryptocurrencies have a high level of risk and is not suited for all investors. You should carefully evaluate your investing goals, level of expertise, and risk appetite before opting to trade cryptocurrencies, tokens, or any other digital asset.

INTRODUCTION

The Cryptocurrency universe is a breeding ground for new decentralized and innovative systems that will bring solutions to some of the most important issues in the world.

The team behind Secured Ship wants to lead the way of the ecosystem and help bridge the power of crypto with the challenges of the decentralized financial system in the world today.

The Secured Ship is a BEP-20 token built on the Binance Smart Chain. Holders tend to transact here on long-based terms.

VISION

In our vision, cryptocurrency will be part of every portfolio. Wealth-building strategies, that were previously only accessible to the most affluent individuals, will now be available to everyone, causing control over our financial system to be returned to those who hold it.

Due to recent crypto scams and rug pulls have impacted holder's trust in the market. We are here to change that forever! Time for a revolution! With a rewarding game system. Save your spot before it runs out!

WHAT IS SECURED SHIP?

Liquidity Lock:

The liquidity lock will remain in place until 2031. Token holders and our tokens will be protected in this way. You can always feel secure sending tokens with SecuredShip!

Passive Income:

There are many ways in which our holders can earn. Passive income is a possible source of income. From transaction fees, holders of SecuredShip will benefit. Holding means earning!

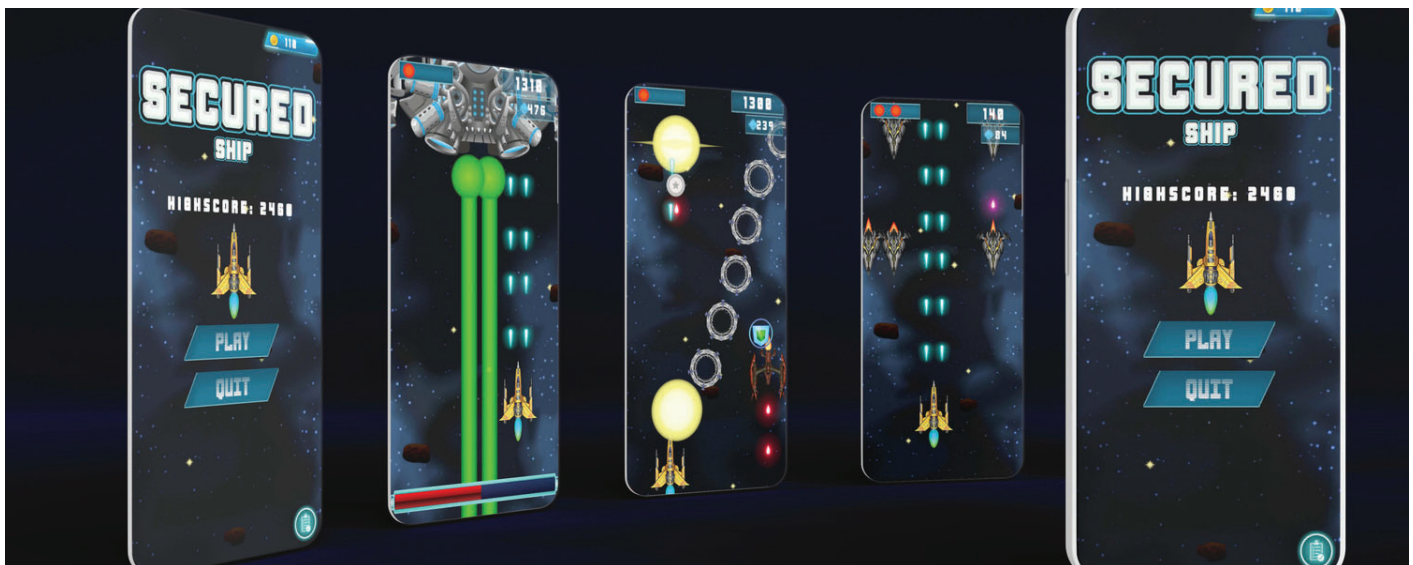

Secured Path:

Our holders are always important to us. The suggestions our holders make will be posted on our website for our holders to view, and they will also be able to vote on the ones they enjoy!

GAMING

We want to offer our holders different ways of earning. Our game is on Google Play Store where you can play and earn. The top 3 players every week will be rewarded with BNB.
